Why Register

Your convention registration is used to pay for the hotel and convention facilities, associated services for equipment, maintenance, printing of your registration packets and administrative expenses. We believe once you understand it is the fee from your registration that makes this event possible, and the registration funds collected are used for the planning and implementation of present and future Northern California conventions, the reasons for registering become clear. It is the support of each member's registration or donation that helps make our convention a success.

Thank You,
*Northern California Convention
of Narcotics Anonymous*

Newcomer Registration

Newcomer registrations are reserved for the newcomer with less than thirty days clean time who cannot afford the price of registration. Each newcomer registrant will be asked to make a donation to the Newcomer Fund. Newcomer registrations will be distributed on a first-come first-served basis at hours that will be posted at the convention.

Special Needs

Special seating will be available for the physically challenged and hearing impaired at all Main Speaker Meetings. Friday and Saturday evening and Sunday Main Speaker Meetings will be interpreted for the hearing impaired.
