Western Service Learning Days was started in Fife, Washington in 1987 and has continued on an annual basis since then. The conference focuses on Narcotics Anonymous services in PI, PR, H&I, Phonerlines, Web Pages and Outreach.

Our goal is to bring service minded NA members together, provide them an opportunity to learn and share about new ideas, then send them home with the tools to duplicate those efforts and put them to work in their Area or Region.

The three-day conference is hosted each year by a different Area or Region within 13 Western United States, two Western Provinces of Canada, and Mexico.

The Northern California Region of Narcotics Anonymous is proud to host this year's event.
